<sup>p</sup>Preliminary. <sup>r</sup>Revised.

A Represents an RSE that is greater than or equal to 100 or could not be computed. NA Not available. RSE Relative Standard Error.

S Withheld because estimate did not meet publication standards on the basis of response rate, associated standard error, or a consistency review.

Z Less than 500 units or less than 0.5 percent.

<sup>1</sup> Single-family estimates prior to 1999 include an upward adjustment of 3.3 percent made to account for structures started in permit-issuing areas without permit authorization.

<sup>2</sup> Includes one-family units built for rent that are not shown separately by purpose of construction.

<sup>3</sup> Ownership of the entire property is acquired, both land and improvements, not a condominium or cooperative ownership.

<sup>4</sup> Includes units for sale as condominiums or cooperatives; may also include units where ownership of the entire property is acquired, both land and improvements.

Notes: Housing units for which purpose of construction or design type was not reported have been distributed proportionally to those for which the information was reported.

Quarterly estimates may not add to the annual figures as the latter include late reports and corrections.

<sup>p</sup>Preliminary. <sup>r</sup>Revised.

A Represents an RSE that is greater than or equal to 100 or could not be computed. NA Not available. RSE Relative Standard Error.

S Withheld because estimate did not meet publication standards on the basis of response rate, associated standard error, or a consistency review.

Z Less than 500 units or less than 0.5 percent.

<sup>1</sup> Single-family estimates prior to 1999 include an upward adjustment of 3.3 percent made to account for structures started in permit-issuing areas without permit authorization.

<sup>2</sup> Includes one-family units built for rent that are not shown separately by purpose of construction.

<sup>3</sup> Ownership of the entire property is acquired, both land and improvements, not a condominium or cooperative ownership.

<sup>4</sup> Includes units for sale as condominiums or cooperatives; may also include units where ownership of the entire property is acquired, both land and improvements.

Notes: Housing units for which purpose of construction or design type was not reported have been distributed proportionally to those for which the information was reported.

Quarterly estimates may not add to the annual figures as the latter include late reports and corrections.
